

The Art and Science of Light

SPECIFICATIONS:

models: C5m e50 and e100
 primary power: 120V, 277V
 compliance: UL Listed
 control: Dimming compatible
 fixture housing: Clear anodized aluminum
 dimensions: 2' to 7'6" and custom lengths
 lamp color(s): See color chart on Details sheet
 update: April 6, 2012

FEATURES:

cSTRPmini offers standard and custom straight lamps with seamless, end-to-end illumination, free from socket shadow. Using state of the art, silent, energy efficient electronic power supplies, cSTRPmini are extremely more compact than traditional cold cathode systems. cSTRPmini fixtures ship pre-wired and assembled for installation in minutes resulting in significant labor savings. cSTRPmini features ACL's new "Snap and Slide" extrusions for easy access to lamps and ballasts. cSTRPmini can be daisy-chained using our pre-wired "Easy Connect" system. Single lamp configurations are available in a wide range of colors. Combining cSTRPmini with cCRVSmini allows for enhanced flexibility to fit any design solution.
