**dimensions:** SM01 surface mount 1" wide x 1" high  
**lamp color(s):** see color chart on Details sheets  
**date:** September 29, 2008

### FEATURES:

Slimlite is ACL's slim modular LED product solution designed for wall or cove mounting. Slimlite is encased in a clear weatherproof tubular enclosure, perfect for a variety of mountings. Linked fixtures can conform to short or long sweeping curved architectural features while maintaining even light output. Slimlites are an excellent choice for interior and exterior applications. Low wattage consumption, combined with extended life make Slimlite an economical choice. Their modular construction with minimal points of attachment make an attractive and functional solution for linear applications.
